## Design Skills

### UX Research & Strategy

- Apply user research, personas, journey mapping, and usability testing to inform design decisions, validate concepts, and improve accessibility and inclusion across digital experiences

### Interaction & Interface Design

- Design intuitive, cross platform interfaces through wireframing, prototyping, visual hierarchy, accessibility first design, and rapid iteration

### Tools & Emerging Technologies

- Build and prototype interactive systems using Figma, ProtoPie, Adobe Creative Cloud, TouchDesigner, Visual Studio Code, and Cinema 4D

### Front End & Data Informed Systems

- Develop foundational front end experiences using HTML, CSS, JavaScript, API integrations, MongoDB, and GitHub version control

### Collaboration, Communication & Leadership

- Lead and collaborate within cross functional teams through presentation, facilitation, instructional design, and safety critical decision making in public facing environments

## Profile

- Interaction Design student specializing in inclusive, safety critical, and data driven digital experiences
- Hands on experience in UX/UI design, prototyping, user research, and usability testing
- Skilled in rapid iteration, design thinking (Double Diamond), and cross platform experience design
- Experienced with Figma, ProtoPie, Adobe Creative Cloud, TouchDesigner, and emerging interactive technologies
- Known for strong leadership, collaboration, and communication in high responsibility public facing environments

## Education

- **Honours Bachelor of Interaction Design**  
*Sheridan College* Expected 2027  
GPA 3.47/4.0  
Gaining hands on experience in user research, interface design, prototyping, and emerging technologies to create thoughtful, engaging, and inclusive digital experiences that bridge creativity with functionality.
- **Certificate in Creativity and Creative Problem Solving**  
*Sheridan College* 2023-2027  
Focusing on developing innovative thinking strategies, collaborative problem solving skills, and the ability to apply creative methodologies to real world design challenges.

## Experience

- **Leadership Instructor**  
*Town of Oakville* 2025-Present  
Plan and deliver Bronze-level aquatics and First Aid certification training, applying safety critical thinking, participant assessment, and inclusive instructional design to support diverse learners.
- **Deck Supervisor**  
*Town of Oakville* 2022-Present  
Oversees aquatic facility operations, ensuring staff coordination, program delivery, and safety compliance while mentoring team members and maintaining strong public relations.
- **Swim Instructor**  
*Town of Oakville* 2021-Present  
Designs and delivers engaging swim lessons focused on safety, skill development, and participant progress while fostering a supportive and inclusive learning environment.
- **Lifeguard**  
*Town of Oakville* 2021-Present  
Provides vigilant supervision of aquatic areas, prevents accidents through proactive safety measures, and executes emergency responses to ensure the well being of all patrons.
